

Joel A. Berdine

**General Manager, Global Supply Chain
GE Transportation**

Joel A. Berdine was appointed General Manager of Global Supply Chain for GE Transportation in October 2009. Prior to this, Joel led the Sensing & Inspection Technologies Global Supply Chain team for 4 years.

Joel began his GE career in 1988 at GE Energy, where he held numerous positions in Sourcing, Manufacturing and Quality. His roles included Manager of Production Planning in Greenville S.C., Master Black Belt and Quality Leader for Power Generation in Schenectady N.Y., and Manager of Mexico Operations, in Monterrey, Mexico. From 2002 until 2005, Joel led the Supply Chain for a series of acquisitions in GE Energy including Optimization Control, NRPS and Environmental Services as part of the Power Electronics Global Supply chain.

Joel holds a bachelor's degree in Physics from St. Bonaventure University and a master's degree in Operations Research - Applied Statistics, from Union College in Schenectady, N.Y.

His hobbies include golf and hiking. Joel and his wife Lesley live in Erie, PA, with their English Springer Spaniel.
