

Marcos Costa, President and CEO, Latin America GE Transportation

Marcos Costa leads the GE Transportation business in Latin America. In this role, he is responsible for expanding the business footprint and global capabilities across the region.

He previously served as the Latin America Strategic Customer Accounts leader in energy generation. Prior to that role, he served in various capacities for Alstom such as Senior Vice President of Global Power Sales, Vice President of Latin America Renewable Power and Thermal Power Sectors, and President of Alstom Brazil.

Marcos graduated from the Federal University of Minas Gerais with a degree in Electrical Engineering, and received specialization in Business Administration from the Getulio Vargas Foundation, Brazil.
